The Small Print

The Stars show the scarecrows we are expecting. There may be more! The map is indicative and correct at the time of going to print.

Cars Parked at own risk.

Take care when returning to your car, especially if it's dark and you've had a few!

Please keep noise to a minimum when returning to your car, our scarecrows will be asleep.

The organisers of the festival accept no liability for any losses, injuries or damage - howsoever caused.
